

VanSafe Application

Safe, efficient and sustainable transport operations

VanSafe Standard

VanSafe is an industry driven programme designed to raise operational standards and recognise excellence.

VanSafe membership will afford an opportunity to network with like-minded businesses that are all focused on improving standards of compliance and professionalism within the commercial van fleet sector. VanSafe will support our members through independent expert advice and guidance on operational issues and we will be the voice for the sector and in gaining recognition for operators that aspire to attain the highest operational standards.

Why join VanSafe?

- ✓ **Knowledge**
Our extensive information base ensures you are best placed to make good business decisions, keep on top of industry and legal developments and progress your career.
- ✓ **Business development**
Membership can present various business development opportunities and also facilitate networking and professional advice from peers in all business spheres.
- ✓ **Influence**
Get involved in shaping policies and industry for the future through our Council and stay better connected with industry peers through a variety of networking opportunities.
- ✓ **Compliance**
Be confident in your compliance with our support and guidance that is tailored to your operation. Our experts can help you unravel complicated legal policies, explain how they relate to your operation and advise on putting measures in place to protect you from non-compliance.
- ✓ **Savings**
Save time with all the information you need in one place. Cut costs through minimising business risk, eliminating the cost of third party solicitors or consultants and gaining discounts on other FTA Ireland products and services.

What does VanSafe include?

VanSafe Standard

The FTA Ireland VanSafe Standard Scheme is a well-established service that promotes recognition of professionalism, compliance and road safety.

Membership to the scheme is designed to enable you to demonstrate a commitment to safe, compliant and more efficient logistics operations throughout the industry. It enables you to promote the highest operating standards to your customers and reassures the public and Government that you are addressing issues that concern them.

Benefits of VanSafe:

- Save money in fuel consumption.
- Improve Road Safety Authority (RSA) Commercial Vehicle Operator Risk Indicator Score, where appropriate.
- Reduce annual fleet insurance costs.
- Continuously improve business processes.
- Help secure direct funding for your company where you can demonstrate reductions in fuel burn.

Information and Advice

Telephone access to our Member Advice Centre enables you to talk through any legal or operational queries you may have. We also provide compliance guides such as our Commercial Vehicle Roadworthiness guide that details what you should do and how to comply with this legislation.

Member Briefings

FTA will hold periodic briefings which will be open to all members and free of charge. These briefings will be designed to offer members the chance to network, hear the latest technological and legislative advice and guidance and ensure that you are best placed to make informed decisions that will improve operational efficiencies.

Savings

By including a sustainability section in the VanSafe programme we are helping encourage fuel efficiencies that will give tangible return on investments for our members and save you money.

FTA Ireland Additional Services

Vehicle Inspection Service

Our Vehicle Inspection Services (VIS) offer a range of solutions to ensure your vehicles, related equipment and maintenance arrangements are safe, efficient and legally compliant.

Training

FTA Ireland is proud to be recognised within the industry as a leading provider of training courses. This is continually reflected in the excellent feedback we receive from our customers. Our training team offers an expert platform which, in turn, will enhance your team's skills and understanding, improving your company's productivity and compliance, Transport Manager CPC, Tachograph Training, Working Time and Walk Around Check.

Events

Keep your operation efficient and compliant with help from our events and conferences. We provide you with guidance, information and best practice advice so that you are up to date with current and future transport legislation.
